RE: South Carolina Electric & Gas Company
Notice of New Natural Gas Construction Project
Docket No. 2006-244-G

Dear Ms. Boyd:

South Carolina Electric & Gas Company ("SCE&G" or "Company") is required to notify the Public Service Commission of South Carolina ("Commission") "[o]f any construction projects resulting in a cost of \$500,000 or more." See 26 S.C. Code Ann. Reg. 103-412(2.7) (1976, as amended). In compliance with Commission regulation, this letter serves as notification to the Commission that SCE&G plans to replace the vaporization system at its liquefied natural gas plant located at Bushy Park near Charleston and that the project will result in a cost greater than \$500,000. SCE&G is presently preparing the engineering for this project and anticipates that construction will commence in April 2012 with an anticipated completion date of November 2012. When fully operational, this project will replace the Company's existing vaporization system at the plant and provide for continued reliable service at the plant.

By copy of this letter, SCE&G is also notifying ORS of this construction pursuant to S.C. Code Ann. Reg. 103-412.2.7(A).

If you have any questions, please do not hesitate to contact us.

Very truly yours,

Matthew W. Gissendanner

MWG/mcs

The Honorable Jocelyn G. Boyd
